Roast the veggies

- Preheat oven to **240°C/220°C fan-forced**.
- Cut **sweet potato** and **carrot** into bite-sized chunks. Cut **brown onion** into wedges. Place veggies on a lined oven tray.
- Drizzle with **olive oil**, season with **salt** and **pepper** and toss to coat.
- Bake until tender, **20-25 minutes**.

TIP: If your oven tray is crowded, divide the veggies between two trays.

Add the sauce

- Remove pan from heat.
- Add **soy-ginger mixture**, carefully turning **barramundi**, until well coated.

TIP: The residual heat in the pan will cook the sauce!

Custom Recipe: Coat the chicken in the same way as the barramundi.

Get prepped

- Meanwhile, finely chop **garlic**.
- In a small bowl, combine **ginger paste**, **garlic**, the **soy sauce**, the **brown sugar** and a drizzle of the **white wine vinegar**.

Toss the veggies

- In a medium bowl, place **baby spinach leaves**, **roasted veggies** and **mayonnaise**. Toss to combine. Season to taste.

TIP: Toss the veggies on the oven tray to save on washing up!

Cook the barramundi

- When the veggies have **10 minutes** remaining, in a large frying pan, heat a drizzle of **olive oil** over medium-high heat.
- Pat **barramundi** dry with paper towel and season both sides (this helps it crisp up in the pan).
- When oil is hot, cook **barramundi**, skin-side down first, until just cooked through, **5-6 minutes** each side (depending on thickness).

TIP: Barramundi is cooked through when it turns from translucent to white.

Custom Recipe: If you've swapped to chicken breast, place your hand flat on top of each chicken breast and slice through horizontally to make two thin steaks. Season. In a large frying pan, heat a drizzle of olive oil over medium-high heat. Cook chicken steaks, until cooked through (when no longer pink inside), 3-6 minutes each side.

Serve up

- Divide the soy and ginger barramundi and roast veggie salad between plates.
- Spoon any remaining pan juices over the barramundi to serve. Enjoy!
