1

Melt the butter

- Preheat oven to **180°C/160°C fan-forced**. Grease and line the baking tin with baking paper.
- Melt the **butter** in the microwave or in a saucepan.

3

Bake the brownie

- Pour **brownie batter** into the prepared baking tin, then spread out evenly using the back of a wooden spoon.
- Bake until just firm to the touch but still a little soft in the middle, **25-28 minutes**. Allow to cool completely in the baking tin.

TIP: To check if the brownies are done, stick a toothpick or skewer in the centre. It should come out with crumbs clinging. If you like your brownies more cakey and less fudgy, bake for an extra 5 minutes.

TIP: The brownies will firm up more once they've cooled.

2

Combine the ingredients

- Crack the **eggs** into a large heatproof bowl. Add **chocolate brownie mix**, **dark chocolate chips**, **white chocolate chips**, **melted butter** and a pinch of **salt**. Stir with a wooden spoon until well combined.

4

Serve up

- When the brownies have cooled, slice into squares and place on a serving plate. Enjoy!

TIP: Refrigerate any leftover brownies in an airtight container!
