Bake the fries

- **See Top Steak Tips (below).**
- Preheat oven to **240°C/220°C fan-forced.**
- Cut **sweet potato** into fries.
- Pick **rosemary** leaves.
- Place **fries** on a lined oven tray. Drizzle with **olive oil**, sprinkle with **rosemary**, season with **salt** and toss to coat. Bake until tender, **20-25 minutes.**

TIP: If your oven tray is crowded, divide the fries between two trays.

Cook the veggies

- Return frying pan to medium-high heat with a drizzle of **olive oil**.
- Cook **green beans** and **zucchini**, tossing, until tender, **4-5 minutes.**
- Season with a pinch of **salt** and **pepper**. Transfer to a bowl and cover to keep warm.

Top Steak Tips!

1. Remove steak from packaging and set aside at room temperature 15 minutes before cooking.
2. Use paper towel to pat steak dry before seasoning.
3. Check if steak is done by pressing on it gently with tongs - rare steak is soft, medium is springy and well-done is firm.
4. Let steak rest on a plate for 5 minutes before slicing.

Get prepped

- Finely chop **garlic**.
- Thinly slice **zucchini** into half-moons.
- Trim and halve **green beans**.

Make the sauce

- While steak is resting, wash frying pan and return to medium heat with the **butter** and a drizzle of **olive oil**. Cook **garlic** until fragrant, **1 minute**.
- Add **thickened cream**, **wholegrain mustard**, **chicken stock pot** (see ingredients) and **steak resting juices**, then cook until slightly thickened, **2 minutes**.
- Season with **pepper** and a pinch of **chilli flakes** (if using).

Cook the steak

- In a large frying pan, heat a drizzle of **olive oil** over medium-high heat.
- When oil is hot, cook **flank steak** for **4-6 minutes** each side for medium, or until cooked to your liking.
- Transfer to a plate, cover and rest for **5 minutes**.

TIP: The meat will keep cooking as it rests!

Serve up

- Cut each steak in half and thinly slice each steak across the grain.
- Divide beef flank steak, sweet potato fries and greens between plates.
- Spoon over creamy mustard sauce and garnish with **flaked almonds** to serve. Enjoy!

TIP: Flank steak has long fibres running through the meat. Cutting across the grain or perpendicular to the fibres helps ensure each bite is tender and easy to chew.
