Cook the bacon & tomatoes

- Preheat oven to **240°C/220°C fan-forced**.
- Place **snacking tomatoes** (see ingredients), a pinch of **salt** and **pepper** and a drizzle of **olive oil** on one side of a lined oven tray. Toss to coat.
- Separate **bacon** slices and place on the other side of the oven tray.
- Roast until tomatoes are blistered and bacon is golden, **8-12 minutes**.

Fry the eggs

- Wipe out frying pan, then return to high heat with a drizzle of **olive oil**.
- When oil is hot, crack the **eggs** into pan. Fry until egg whites are firm and yolks are cooked to your liking, **2-3 minutes**.

Get prepped

- While the snacking tomatoes and bacon are baking, finely chop **garlic**.
- Pick and roughly chop **thyme** leaves.

TIP: Hold each thyme sprig at the top, then gently run your fingers down to remove the leaves. If the stems are very soft, you can just chop them instead.

Grill the buns

- While the eggs are cooking, slice **bake-at-home burger buns** in half and place on a second lined oven tray. Sprinkle bases with **shredded Cheddar cheese**.
- Bake until heated through and cheese is melted, **2-4 minutes**.

Make the relish

- In a large frying pan, heat a drizzle of **olive oil** over medium heat. Cook **garlic**, a pinch of **chilli flakes** (if using), **tomato paste** and **thyme**, stirring, until fragrant, **1 minute**.
- Add the **brown sugar**, the **white wine vinegar** and the **butter**. Stir to combine, **1 minute**.
- Remove from heat. Stir in **caramelised onion chutney**. Transfer to a bowl and season to taste.

Serve up

- Build your burger by spooning caramelised onion relish over base, then top with roast snacking tomatoes, **salad leaves**, an egg and some bacon.
- Spread **mayonnaise** over top burger bun and serve. Enjoy!
